

Gathering Precautions

Remedy Church, Waxahachie, TX

As of September 20, 2020. Subject to change.

Gathering with Precautions

Do nothing from selfish ambition or conceit, but in humility count others more significant than yourselves. Let each of you look not only to his own interests, but also to the interests of others. Have this mind among yourselves, which is yours in Christ Jesus... -Philippians 2.3-5

In the spirit of Romans 14.1-19 and Philippians 2.1-5, we want to encourage you to make decisions with others in mind. We have a wide range of preferences and comfort levels right now, and it is in the best interest of all for us to mutually defer to one another in a spirit of humility and love. Let's work hard not to be offended or to criticize, but to go hard after mutual encouragement and brotherly/sisterly love.

If you or anyone in your household has symptoms of COVID-19 or has tested positive for COVID-19, please choose to stay home from any Remedy gatherings or events.

We would also encourage you to smile a lot and to encourage each other often in these awkward, socially-distanced days!

Worship Gathering

- Extra space between rows in Ferris Heights Wesley Hall (the fellowship hall):
 - Please enter using the foyer doors at the back of the room and proceed into the room, not lingering in the foyer. Please give others plenty of space when coming or going.
 - Greeters will open outside doors for you.
 - Please be mindful of giving space to other families who prefer it when selecting your seats.
- If you prefer to wear a mask, we gladly welcome that.
- Bathrooms will be open. Please give others plenty of space when coming or going. We encourage everyone to wash their hands before leaving the bathroom.
- Hand sanitizer will be provided in multiple places around the building.
- We will work hard to keep our gathering around an hour to accommodate most of our Remedy Kids being with us the entire time.

Remedy Kids

- The nursery will be open and staffed with volunteers for the entire gathering
- Our preschool through Kindergarten class will meet and will dismiss from the gathering before the teaching time (same as before COVID).
- Once in the Remedy Kids rooms (nursery and preschool) masks will be optional for volunteers and kids. We want our kids to be able to hear well and see their teachers' faces, but if volunteers feel more comfortable in a mask, we welcome that.
- Teachers will work hard to keep as much distance as possible between the kids and themselves while also working hard to connect with kids. Activities will help the kids stay seated and working in their own space.
- The rest of our Remedy Kids will join us for the entire gathering, and we will provide busy bags to help them stay engaged. They will be able to take the entire bag home with them.
- Please see our website or app for more information about Remedy Kids.

Missional Communities

- MC's may gather online or in person.
- We recommend no shared food.
- We encourage meeting outside with appropriate social distance where necessary.
- If an MC chooses to meet inside, we recommend they be mindful of those who prefer plenty of space.
- Above all, we encourage loving each other well by deferring to the needs of others in your MC (Php. 2.1-5).
- Please see our website or app for more information about Missional Communities.

Remedy Teens

- Remedy Teens will meet in person and will operate largely in smaller groups based on age and gender.
- Please see our website or app for more information about Remedy Teens.
